LUXURIOUS AFFORDABLE

Feel at home in a Prowler with features like this optional freestanding dinette and chairs or roomy dinette booth, large two basin sink, beautiful wood cabinetry, residential flooring, large windows and many more great features. You won't have to sacrifice any of the comforts you've come to cherish at home.

Model 27P BHS

42 YEARS of EXPERIENCE GOLD STAR STATUS

Thanks to forward thinking in designs and customer driven features, Prowler has become one of the most successful RVs on the market. Since its introduction in 1969, Prowler has sold more than 300,000 units and has accrued 42 years of RV experience. Prowler has held the distinguished title as the #1 selling towable in America multiple times, including a stretch of thirteen consecutive years from 1988 to 2001. The newest members of the Prowler bloodline are no exception. Prowler's Engineers and Designers have worked together to bring you the most reliable and user friendly RV on the market today.

Model 29P RKS

Model 27P RLS

FIVE STAR DINING PLEASE SEAT YOURSELF

Prowler offers several dinette configurations to suit every family's needs. Standard booths, optional free standing table and chairs or a Mega-Booth U shaped dinette. (some configurations not available in all models)

All Prowler dinettes feature larger table tops than the average RV table top, comfortable seating with extra elbow room and huge picture windows to enjoy the outdoor setting from indoors.

PROWLER KNOWS RVing

FUNCTIONAL STORAGE

We understand there is no such thing as too much storage! Prowler features 18" tall overhead cabinets to accommodate large items and divider shelves to easily store even more smaller items. Our cabinets are among the deepest in the industry letting you store full size plates, bulky food items and so much more.

Prowler's large 50/50 sink allows you to wash and rinse residential pot and pans with ease.

The Prowler Paw design provides approximately 20% more workspace.

An eye level integrated Spice Rack puts the seasonings right where you can see them.

Large 19" gas oven with three burner cook top with high output front burner for large pots and pans.

Strong, steel ball bearing, full extension design allows much larger and deeper drawers.

Hidden Trash Receptacle keeps the trash out of sight and out of the way, not to mention the odor.

Bigger 50/50 sink allows you to wash all of your dishes hassle free, mounted in a oversized, radius countertop with 25% more workspace than traditional square countertops.

Convenient microwave above the large oven with three burner cooktop.

Our attention to detail and craftsmanship allows us to produce a high quality, clean finish on every Prowler.

Model 29P RKS

A PLACE FOR EVERYTHING EVERYTHING IN ITS PLACE

Prep Area, Cleanup and Storage, are the Three most important elements in the kitchen, other than the Cook of course. You demand more counter space and Prowler's own in-house counter top shop delivers counters that are uniquely arched in design so they flow with the kitchen while maximizing every inch of space. Prowler customers never have to sacrifice in the kitchen.

SWEET STORAGE SWEET DREAMS

Face it, you've got stuff and Prowler delivers the storage space necessary for your entire family. Large closets, some with clothes rods and some with drawers, dressers, overheads, even under-bed storage. Every square inch of usable space has been maximized so you can bring all your favorite stuff on vacation. The other main point of a vacation is to catch up on your rest. Prowler provides comfortable sleeping arrangements for your family.

PROWLER KNOWS RVing

BUILT TO LAST on a SOLID FOUNDATION.

Every great structure begins with a solid foundation and Prowler is no different. Steel I-beam construction with z-bar reinforced trusses provides the strength and stability necessary to support a coach that will endure the challenges of the road and the test of time.

PROWLER TOUGH UNI-BODY CONSTRUCTION

Thick double wide commercial Hurricane Straps are added to unitize the sidewall to the floor assembly and unitize the roof assembly to the sidewalls. These Hurricane Straps are used around the entire perimeter giving your Prowler a uni-body construction design unlike any other wood frame trailer. This helps to eliminate long term shifting and settling of your trailer eliminating pops and squeaks and cabinets stay straight and level. This un-seen feature cost more and takes more time to achieve but Team Prowler thinks your friends and family is worth it. Feel confident traveling down the road at 60 MPH and hitting a wind gust that nothing is pulling loose on your Prowler. We can't say that for all travel trailers.

Wood Wall Framing
w/ Aluminum Siding

Aluminum Wall Framing
w/ Laminated Fiberglass
Sidewall

PROWLER'S ROOF HAS YOU COVERED

Wood trusses 16" on center create a 5" thick roof cavity that is filled with formaldehyde free insulation for maximum R-value. Non Metallic Insulated Ducted A/C runs evenly distribute air-flow and help prevent condensation in the attic. Decking is then screwed to the trusses creating a crown to help shed water and debris off the roof. Top it all with a rubber roof protecting your investment for years of enjoyment.

The combination of Floor, Frame, Walls and Roof assemble as One Unitized System with hurricane straps and heavy duty fasteners to form the strongest structure possible.

PROWLER TOUGH UNI-BODY CONSTRUCTION

Another un-seen Prowler feature is the floor construction. Prowler floors are constructed of 5/8 marine grade decking that carries a 25 year warranty which is glued and screwed down to the main floor structure for a superior foundation. The entire floor system is bolted to the frame using these 4" Heavy-duty carriage bolts making it one with the frame which is the beginning of Prowler's Uni-body construction method.

A seamless layer of residential floor linoleum is rolled out and fastened to the decking to protect the decking from moisture penetrating from the top.

ATTENTION TO DETAILS CONVENIENCE

Prowler Knows RVing. Over past 42 years we have learned that features and benefits make good RVs but to be a truly Great RV takes Smart Design. Its not good enough just having great ideas, to be great it takes perfect execution to deliver great ideas in a hassle free, user friendly, high quality package, every time.

Heartland Recreational Vehicles
1001 All-Pro Drive • Elkhart, IN 46514 • 574-262-5992

Community. Convenience. Close-to-home.

Where you purchase your recreational vehicle is ultimately your decision but Heartland urges you to consider buying at your local dealer. Dealers are part of your community, providing jobs and contributing to your local economy. These dealers are under obligation to provide warranty service for products they sell, but are not legally required to service products purchased from other dealers. At some point, you may need to return to the dealer you buy from - why not stay close to home? After all, home is where your Heartland is!

BENEFITS OF PURCHASING YOUR RV LOCALLY:

- You enjoy valuable relationship building with Dealer Representatives, close to your home, who will explain the features and benefits of the product.
- You receive a full product orientation prior to delivery, which includes hands-on directions for many of the coach's systems and functions. You are also introduced to the Dealership's Service/Parts/Warranty personnel who are at the ready to help you with any issues you may encounter, now and in the future.
- You enjoy customer PRIORITY. Dealerships generally service their purchasing customers first - others may experience long delays and miss opportunities to use their RV. What is it worth for you to have a dealership's full attention and motivation to satisfy you when you need service - in a timely manner?
- Valuable TAX dollars and jobs stay in YOUR community which pays for your roads, schools, police and fire departments.

DON'T UNDERESTIMATE CUSTOMER SERVICE AND PERSONAL CARE!

For Canadian Residents: If you purchase an RV out-of-country, there are additional fees, taxes and inspections that must be met before bringing your product home. Your local Canadian dealers are experts in these provisions.

CUSTOMER SERVICE
WE'VE GOT YOUR BACK!**

Over 40 men and women located in a dedicated facility servicing our customers every day. With a dealer network of over 400 locations across the U.S. and Canada, you're never far from an authorized Heartland dealer.

Product information is as accurate as possible as of the date of publication of this brochure. Due to Heartland's commitment to continuous product improvement - floorplans, materials, components, features, specifications, options, etc. are subject to change without notice or obligation to Heartland Recreational Vehicles.

Product information and specifications apply to coaches beginning with serial number 231920

Tow Vehicle Caution: Owners of Heartland recreational vehicles are solely responsible for the selection and proper use of tow vehicles. All customers should consult with a motor vehicle manufacturer or their dealer concerning the purchase and use of suitable tow vehicles for Heartland products. Heartland disclaims any liability or damages suffered as a result of the selection, operation, use or misuse of a tow vehicle. Heartland's limited warranty does not cover damage to the recreational vehicle or the tow vehicle as a result of the selection of the tow vehicle.
