Multi-Zone Entertainment

System features a LCD flat-screen TV and two stereo systems with multi-zone capabilities so that you can listen to music outside the coach while someone else watches a movie or listens to music inside the coach!

Light your task, set the mood or just kick back and relax. Enjoy perfect lighting throughout the CYCLONE.

More Ramp Patios

CYCLONE offers rear patio options on all models and side patios on select models. Enjoy over 75 square feet of additional space attached to the living area, up off the ground, dry and clean, covered by the awning and large enough to accommodate a bistro table and chairs for all your outdoor entertainment pleasure.

More **FUN**

Built-in Outdoor Speakers

CYCLONE owners can enjoy listening to their favorite CDs, catch up on the news, or listen to the big game on these powerful outdoor speakers, conveniently located patio side and easily controlled by the garage receiver.

LEVEL-UP

ONE TOUCH AUTOMATIC LEVELING OPTION

- Full 6-Point Leveling
- Front-to-Rear and Side-to-Side Leveling
- Leveling system can be used to change a tire
- One power source
- Backup system in case of electrical failure
- Lightweight aluminum jacks
- Fully automatic leveling controls
- "Auto-Recall" Function:
Remembers where tow vehicle was unhooked

• Utilizing a remote sensor located under the rear axle, the Level Up system accomplishes a level coach in seconds. This eliminates a time consuming and sometimes dirty task of manually leveling your coach.

• Level Up's 6-Point leveling system achieves a level coach while easing undo stress on the chassis, windows and sidewall when the coach's slide-outs are extended or retracted.

Stop wasting time setting up and get to camping!

**UNINHIBITED PASS-THRU
EXTERIOR STORAGE**

Choose **CYCLONE** for superior industry leading engineering which results in larger, cleaner pass-through storage possibilities.

THERMAL TESTED

Heartland 5th wheel construction has been subjected to rigid testing in the famous **DOMETIC** Extreme temperature testing chamber. The testing chamber temperature is set to 0° to test the heating system, followed by setting it at 100° to test its cooling ability. With our thick 2" laminated walls, enclosed and heated underbelly and insulated floor - the interior of the Heartland coach remained warm and comfortable through out the sub-freezing testing and nice and cool during the extreme heat test!

Heartland Recreational Vehicles
2831 Dexter Drive • Elkhart, IN 46514 • 574-262-5992

Community. Convenience. Close-to-home.

Where you purchase your recreational vehicle is ultimately your decision but Heartland urges you to consider buying at your local dealer. Dealers are part of your community, providing jobs and contributing to your local economy. These dealers are under obligation to provide warranty service for products they sell, but are not legally required to service products purchased from other dealers. At some point, you may need to return to the dealer you buy from - why not stay close to home? After all, home is where your Heartland is!

BENEFITS OF PURCHASING YOUR RV LOCALLY:

- You enjoy valuable relationship building with Dealer Representatives, close to your home, who will explain the features and benefits of the product.
- You receive a full product orientation prior to delivery, which includes hands-on directions for many of the coach's systems and functions. You are also introduced to the Dealership's Service/Parts/Warranty personnel who are at the ready to help you with any issues you may encounter, now and in the future.
- You enjoy customer PRIORITY. Dealerships generally service their purchasing customers first - others may experience long delays and miss opportunities to use their RV. What is it worth for you to have a dealership's full attention and motivation to satisfy you when you need service - in a timely manner?
- Valuable TAX dollars and jobs stay in YOUR community which pays for your roads, schools, police and fire departments.

DON'T UNDERESTIMATE CUSTOMER SERVICE AND PERSONAL CARE!

For Canadian Residents: If you purchase an RV out-of-country, there are additional fees, taxes and inspections that must be met before bringing your product home. Your local Canadian dealers are experts in these provisions.

HEARTLAND CUSTOMER SERVICE WE'VE GOT YOUR BACK!

Over 40 men and women located in a dedicated facility servicing our customers every day. With a dealer network of over 400 locations across the U.S. and Canada, you're never far from an authorized Heartland dealer.

Product information is as accurate as possible as of the date of publication of this brochure. Due to Heartland's commitment to continuous product improvement - floorplans, materials, components, features, measurements, specifications, options, etc. are subject to change at any time without notice or obligation. In certain conditions some additional equipment may be needed. Photos may show optional equipment or props used for photography purposes only.

Heartland has listed the approximate base weight of the trailer without the option equipment included. Option equipment will impact the weight of the trailer. Please locate the weight sticker attached to the trailer you are considering for the most accurate trailer weight.

Tow Vehicle Caution: Owners of Heartland recreational vehicles are solely responsible for the selection and proper use of tow vehicles. All customers should consult with a motor vehicle manufacturer or their dealer concerning the purchase and use of suitable tow vehicles for Heartland products. Heartland disclaims any liability or damages suffered as a result of the selection, operation, use or misuse of a tow vehicle. Heartland's limited warranty does not cover damage to the recreational vehicle or the tow vehicle as a result of the selection of the tow vehicle.
